<p>Essential Learning Activities</p> <p>3rd Grade Office Hours M,W,F 9-11am</p>	<p>Language Arts</p> <p>*Students are expected to read a minimum of 20 minutes each day in addition to activities.</p>	<p>This week we are going to switch our focus to a fiction story. Log into Storywork Jr. and open the March/April magazine. Read or listen to the book Enemy Pie.</p> <p>Today you are going to focus on how the character changed from the beginning to the end of the story. Open the attachment (Week 3 ELA activities) and see Activity 1 for the questions.</p>	<p>Today you are going to practice going back to the story Enemy Pie to find answers to comprehension questions. Open the attachment (Week 3 ELA activities) and see Activity 2 to find the questions.</p>	<p>Continue the learning journey with Enemy Pie!</p> <p>Choose a writing activity to complete:</p> <ul style="list-style-type: none"> • Describe a day of activities you would do with someone you wanted to get to know better. Would you ride bikes and jump on a trampoline like the boys from the story? Play board games and go for a hike? Perhaps your day would include wild activities from your imagination, like having a picnic on the moon. • Even when you can't spend time with friends, you can still stay close. Write a letter to one of your friends telling them what you like about them and why you're glad that the two of you are friends.
	<p>Math</p>	<p>Complete at least 1 Dreambox lesson.</p> <p>Parents, Mrs. Kulik and Mrs. Garlich would like to let you know we are available to support you at home. Our office hours are from 8-11 Monday-Friday. Please email us at jkulik@vp.k12.mo.us. Also, please visit our blog Kulik and Garlich Math Site for additional math activities by grade level each week.</p>	<p>Complete at least 1 Dreambox lesson.</p>	<p>Complete at least 1 Dreambox lesson.</p>
<p>Additional Library Links:</p>	<p>https://vpelemlib.weebly.com bcustard@vp.k12.mo.us Office hours: MWF9-11am</p> <p>Resource logins: "valleypark" and "library" is the username and password login for everything on the library website, except PebbleGo and BrainPop - their login is "vphawks" and "vp1234".</p> <p>Please check the library website to learn 3 Internet Safety rules. Also, find new links to eBook reading with Tumblebooks and Abdo. And if you want even more fun with books, there is a new link to Mrs. Custard's read aloud Youtube channel.</p>

	Subject Area	Activity 1	Activity 2	Activity 3
Optional Learning Activities	Science	<p>This week's science activities will be a little different from the activities from week 2. Instead of using one article for all three activities, there will be an attached article with three optional "assignments" each day. We will continue with this structure throughout the duration of "distance learning". When you click the link below each description, it will take you to the appropriate article. This link will also have the vocab and video components which make a total of three "assignments". The description of each article will be in the activity boxes here on the learning calendar.</p> <p>The article for Activity 1 is Glitter Girl about a girl named Jordan that creates an arm that shoots glitter. The article is from February 2019. https://sciencespin2.scholastic.com/issues/2018-19/020119.htm</p>	<p>The article for activity 2 is A Secret Waterfall about a waterfall that is hidden in the desert. The article is from May 2019. https://sciencespin2.scholastic.com/issues/2018-19/050119.html</p>	<p>The article for activity 3 is What Can Fight These Germs? About different germs and the importance of soap. This has a bonus activity which is a game called "Superhero Soap Game Show". The article is from September 2017. https://sciencespin2.scholastic.com/issues/2017-18/090117.html</p>
	Art Office Hours: M/W/F 9am-11am mmckelvey@vp.k12.mo.us	<p>Salt dough (All) If you are missing working with clay, why not make your own at home!? Create the salt dough with 1 cup of flour, 1 cup of salt, and ½ a cup of water. Mix together to make a dough. Then start creating! See this link to my website for more details.</p>	<p>Finish the picture (3-5) This lesson will stretch your imagination! Find magazines or print your own photograph. Then, cut out part of the picture and place it on a plain piece of paper. Add a background and details. See the link to my website for all the lesson details! So much fun!</p>	<p>Photography challenge The art of photography shows how an artist can observe and see the world through the lens of their camera. Click here to learn more about the art of photography and how to take a great photograph. You will then choose from a list of photo challenges. Share your photos with me!</p>
